## High Quality Cleaning Chemicals for Janitorial and Foodservice Applications

### **MIRAGE FLOOR FINISH—144-04/05**

Excellent non buff, low maintenance floor finish formulated with urethane for more durability and shine. Used in situations where floor buffing is limited.

### **STAR BRITE 25 FLOOR FINISH —9096-04/05/55**

Developed for heavy traffic floors requiring daily buffing. Floors clean up very easily and this finish provides a strong shine after buffing. Use with high RPM floor machines.

### **LABOR SAVER—3665-04/55**

A non ammoniated stripper that reduces labor time. Quickly removes old floor finish and requires only one thorough rinse before laying floor finish.

### **NEW CENTURY FLOOR CLEANER —5767-04/05**

Cleans floors without dulling the finish. Designed to be used with Mirage and Star Brite 25 floor finishes. Can be used with a mop or through an auto scrubber.

### **ATTACK II —6328-00/04**

Very effective at eliminating urine odors in restrooms and pet odors in carpets. Enzyme technology destroys odor causing bacteria.

### **CREAM CLEAN —7950-00**

Designed for use in restrooms to clean ceramic, porcelain, chrome, brass and fiberglass surfaces. Cleans with soft abrasives and contains a lemon scent.
